History comes to life in The Postmistress, a novel that takes readers back to the early 1940s, when the war raging in Europe showed no end in sight and America was on the brink of joining the fray. Through the eyes of three very different women, author Sarah Blake traces America's journey from willful ignorance of the fight overseas to eventual understanding.

[review of the postmistress aarp the magazine](#)

The Postmistress, Sarah Blake's ambitious second novel, probes the very nature of narrative: How is a story shaped, and when? Who gets to tell it? And what if a story has no definite or easy ending? Does that sound highfalutin? Maybe" but Blake makes it work, even when parts of her beautifully written book meander more than the Cape Cod dunes against which much of the tale unfolds.
