Acknowledgements. There is a wonderful book by Bill Duncan called The Wee Book of Calvin: Air-Kissing in the North-East. It is a parody of those small texts that are found in self-help sections or in card shops and that promise calmness, confidence, or whatever.

[there is more to life than politics in the scotland of 2014](#)

If asked what have been the most original, provocative and challenging books of Scotland in its decade and a half of devolution, without hesitation, I would nominate two non-political, non-historical books. One is the inventive and idiosyncratic "The Book of Scotlands" by Momus; the other is "The Wee Book of Calvin" by Bill Duncan.
